

Certificate of Public Need Requests That Were Opposed

Certificate of Public Need Requests Reported May 2012- April 2018

Opposition as noted in the Staff or Adjudication Officer Reports and Recommendations
Prepared by Virginia Department of Health, Office of Licensure and Certification Staff

For the period May 2012 – April 2018 there were 281 Certificate of Public Need (COPN) decisions, 253 (90%) of which were approved and issued a COPN. At least one expression of opposition was recorded for 71 (25%) of the COPN requests decided during the period. Of those 71 COPN requests with recorded opposition, 48 (68%) were approved and 23 (32%) were denied.
