**TECHNOLOGY ASSISTED WAIVER ADULT REFERRAL FORM INSTRUCTIONS**

Adults (21 and older) are eligible for the Technology Assisted Waiver if they meet the Facility Specialized Care criteria, Group A - Ventilator Dependence **(or) all** complex tracheostomy criteria in Group B. (Refer to Tech Waiver Adult Referral Form)

All participants are assessed to determine Tech Waiver eligibility by the DMAS Health Care Coordinator (HCC) on admission, biannually and whenever there are major changes in the participant's medical or technical skilled needs.

When completing the adult referral form, check the technology needs of the individual and document the physician's orders for care under the appropriate sections of the form.

**Criteria Group A - Ventilator**

The ventilator dependent criteria are met when an individual is on a ventilator continuously or a portion of the day. Document physician's ventilator orders in the appropriate block in the right side column.

**Criteria Group B – Complex Tracheostomy (MUST MEET ALL CRITERIA IN THIS GROUP)**

Potential for weaning – Individuals who are unable to wean from a trach meet this criteria.

Nebulizer treatments are required at least four (4) times per day. Document treatment orders in the appropriate block on the right side of the form.

Pulse oximetry readings are required every nursing shift. Document physician's pulse ox orders in the appropriate block.

Skilled nursing or respiratory assessments are required every shift due to respiratory insufficiency.

Individuals meet oxygen use criteria when oxygen is needed continuously at least 8 hours per day. Document physician's oxygen orders in the appropriate box.

The Individual must require tracheal care at least daily. Document physician's trach care orders in the adjacent box.

A physician's order for tracheal suctioning as needed (PRN) is required. Suctioning is defined as tracheal suctioning requiring a suction machine and flexible catheter.

Individuals must be at risk of requiring ventilator support.

Completed referral forms may be faxed or mailed to:
