*Please be aware that consistent with Virginia law and the mission of the Department of Health Professions, addresses on file with the Board of Medicine are made available to the public. This has been the policy and the practice of the Commonwealth for many years. However, with the application of new technology, which makes this information more accessible, there has been growing concern of those licensees who supply their residence address for mailing purposes. This notice is to reiterate that the Board of Medicine maintains only one address for each licensee and will allow the address of record to be a Post Office Box or practice location.

*Applications will be acknowledged one time after receipt if items appear to be missing.

* Applications may or may not be acknowledged more often, however you may contact the board office at any time for a status report.

*Applications not completed within 6 months may be purged without notice from the board.

Please note (cont.)

*Additional information may be requested after review by Board representatives.
*Application fees are non-refundable.

*A formal letter will be sent to you after approval of reinstatement. Do not begin practice until you have been notified of approval. Submission of an application does not guarantee a license. A review of your application could result in the finding that you may not be eligible pursuant to Virginia laws and regulations.

*Certain forms may be faxed to 804-527-4426.

NOTE TO APPLICANT: PLEASE PROVIDE LICENSE NUMBER AND FORWARD TO STATE INDICATED
The Law

In 1997, the General Assembly of Virginia passed a law (§ 54.1-2912.1) to ensure the continued competency of practitioners licensed by the Board of Medicine. It directed the Board to include in its regulations continuing education, testing, and/or any other requirement which would address the following: a) the need to promote ethical practice, b) an appropriate standard of care, c) patient safety, d) application of new technology, e) appropriate communication with patients and f) knowledge of the changing health care system.

Rationale for the Regulation

The Virginia Board of Medicine recognizes that the professional responsibility of practitioners requires continuous learning throughout their careers, appropriate to the individual practitioner’s needs. The Board also recognizes that practitioners are responsible for choosing their own continuing education and for evaluating their own learning achievement. The regulation of the Board is designed to encourage and foster self-directed practitioner participation in education.

What is “Continuing Learning”? - Continuing learning includes processes whereby practitioners engage in activities with the conscious intention of bringing about changes in attitudes, skills, or knowledge, for the purpose of identifying or solving ethical, professional, community or other problems which affect the health of the public.

Content of the Regulation

Number of Hours Required:

In order to renew an active license biennially, on or after January 1, 2005, the practitioner must complete the CONTINUOUS COMPETENCY ACTIVITY AND ASSESSMENT FORM, which is provided by the Board and must indicate completion of at least 20 hours of continuing respiratory care education as approved and documented by a sponsor recognized by the AARC.

Maintenance and audit of records:

The CONTINUOUS COMPETENCY ACTIVITY AND ASSESSMENT FORM must be used for recording continuing learning activities. The practitioner is required to retain in his or her records the completed form with all supporting documentation for a period of four years following the renewal of an active license.

The Board will periodically conduct a random audit of one to two percent of its active licensees to determine compliance. The practitioners selected for the audit must provide the completed CONTINUOUS COMPETENCY ACTIVITY AND ASSESSMENT FORM and any supporting documentation within 30 days of receiving notification of the audit.

Instructions for Completing
