

COST REPORTING INSTRUCTIONS for
RESIDENTIAL TREATMENT FACILITIES (RTF)

Residential Treatment Facilities are required to file a cost report in accordance with the regulations at 12 VAC 30-80-21. Allowable costs for reimbursement purposes are determined in accordance with Medicare Principles of Reimbursement, including the rules set forth in the Provider Reimbursement Manual, (CMS Pub 15-1). Allowable costs for determining the Residential Treatment Facility Rate do not include costs for drugs and professional (physician) services or patient education/schooling costs. Drugs and professional services must be billed directly to the Medicaid program by the Pharmacy and Physician respectively. Education costs are not covered by Medicaid.

A copy of the cost reporting from RTF-608 can be found on the DMAS Web Site at www.DMAS.Virginia.gov/ in the "Search for Forms" section. Complete the RTF – 608 Cost Reporting Form in accordance with the following instructions and submit with additional documentation per Attachment A – Submission Instructions.
