Exhibit 4 – Non-Combat-Type Aircraft Conditional Transfer Document (GSA Document Link)

The Conditional Transfer Documents below are from <u>FSS P 4025.5</u>, <u>Donation of Surplus Personal Property</u>. The year has been updated to read "20__" in lieu of "19__."

Conditional Transfer Documents

Some property, because of its special or sensitive nature, requires special handling and may require additional terms and conditions in the documentation by which it is distributed. In addition to the State agency distribution document, the donation of such property shall be accomplished by the use of a conditional transfer document which contains the additional terms and conditions applicable to the property. For example, vessels (50 feet or more in length) and aircraft with a unit acquisition cost of \$5,000 or more, including all combat-type aircraft, are donated by the State agency, subject to special handling and use limitations imposed on the donee by GSA pursuant to the requirements of Ch. 1-13, as well as such further terms, conditions, reservations, and restrictions as are imposed on the donee by the State agency in accordance with the Non-combat-type aircraft conditional transfer document (see fig. 2-9.3 below):
