This Contract ("Contract"), by and between the Commonwealth of Virginia, acting by and through the Virginia Lottery ("Lottery"), and the retailer named above, including all owners and officers, (collectively "Retailer") (together, the "Parties") made as of the later date shown beside the Parties' signatures below, specifies the terms and conditions which shall exist during the term of this Contract. Except as otherwise provided herein, this Contract supersedes any prior agreement, representation or understanding between the Parties regarding the subject matter set out herein.

When this Contract is fully executed, and the Retailer has fulfilled all eligibility requirements and paid all fees established by the Lottery, Retailer will be issued a Lottery license. Together, this Contract and its affiliated license authorize Retailer to act as a Lottery Sales Agent to sell and dispense Lottery tickets and products, and to act as the Lottery's representative to collect, preserve, and account for Commonwealth of Virginia trust funds.

A. Term and Renewal

Unless earlier terminated, the term of this Contract - and its affiliated Retailer's license - shall be for a period of one (1) year. These agreements may be renewed annually thereafter at the sole discretion of the Lottery, contingent upon Retailer's compliance with all related Lottery statutes, regulations, and procedures. Upon renewal of a Retailer's license, this Contract shall be renewed for the concurrent period.

B. Termination, Cancellation, Revocation, or Suspension

This Contract may be terminated by Retailer upon at least fifteen (15) calendar days prior written notice to the Lottery.

This Contract and Retailer's license may be terminated, canceled, revoked or suspended by the Lottery, in the Director's sole discretion, upon written notice to the Retailer (except in those limited circumstances when such notice is not required by Lottery statutes or regulations). The Retailer shall be entitled to a hearing on such termination, cancellation, revocation or suspension if, and to the extent, provided by Lottery statutes and regulations and any other applicable law.

Upon termination of the contract, Retailer shall maintain his surety bond and his required Lottery Trust bank account until all settlements are completed and all Lottery equipment, supplies, and property have been surrendered.

C. Compliance with Statutes and Rules

Retailer shall:

- 1) Fulfill the obligations of and adhere to the prohibitions denoted in this Contract, except as otherwise modified by an amendment or addendum attached hereto.

- 2) Comply with all Lottery statutes, regulations, procedures, rules for specific Lottery games, eligibility criteria and standards for licensing, and all other applicable federal and state laws, rules, directives, orders and instructions, including the Americans with Disabilities Act. By executing this Contract, Retailer certifies that to the best of its knowledge it is in compliance with all such laws.
- 3) Conduct all Lottery business and transactions ethically and with the utmost integrity, and act in every respect to uphold public confidence in the Lottery.
- 4) Immediately report to the Lottery any irregularities or anomalies involving Lottery equipment, sales, systems, tickets, or products that do not conform to standard processes and procedures or that may be detrimental to public confidence in the Lottery.
- 5) Adopt safeguards to assure that it will not sell lottery tickets or pay prizes to persons under the age of 18 years.
- 6) Not attempt, through any means whatsoever, to identify or otherwise determine whether any unsold ticket contains a winning play.

D. Tickets/Products Requirements and Responsibilities

Retailer shall:

- 1) Sell all tickets and products which he is authorized and provided by the Lottery to sell.
- 2) Sell tickets and products only at the prices fixed by the Lottery. This requirement includes a prohibition against Retailer purchasing tickets from players at discounted prices.
- 3) Sell tickets and products only at the location(s) specified in this Contract, identified on the issued Lottery license, or as otherwise expressly authorized by the Lottery.
- 4) STOP selling instant tickets and remove such tickets from public view, upon notification by and in accordance with instructions provided by the Lottery.
- 5) Accept only cash, check, debit cards, or authorized coupons in payment for the purchase of Lottery tickets or products.
- 6) Post, or otherwise display in prominent locations agreed to by the Lottery, all required Point of Sale materials.
- 7) Maintain and safeguard an adequate instant ticket inventory and serialized paper stock used in Lottery-provided equipment.
- 8) Meet any minimum sales requirement(s) established by the Lottery, at its discretion and as may be amended from time-to-time, for each Retailer business location.
- 9) Use reasonable safeguards and sound management practices to protect Lottery tickets from the elements, abuse, theft, damage, and destruction.
- 10) Immediately notify the Lottery upon the theft, loss, destruction of, or damage to any tickets in the Retailer's possession.

Lottery shall:

- 11) Pay Retailer compensation as established pursuant to Lottery statutes and regulations and, at the Lottery's sole discretion, any bonus or incentive payments as may be established from time-to-time.
- 12) Provide sales, marketing and customer assistance to the Retailer.

E. Payment of Prizes

Retailer shall:

- 1) Validate winning tickets in accordance with Lottery-approved procedures and via Lottery-provided equipment prior to paying a prize.
- 2) Pay cash prizes as expressly authorized by the Lottery through the proper and complete validation of winning tickets, generally up to and including \$600 per wager.
- 3) Pay prizes in cash and/or cash equivalent instruments (e.g. money order, business check) immediately upon the proper and complete validation of a winning ticket.
- 4) Not impose any fee, additional charge, or discount for cashing a winning ticket.
- 5) Return non-winning tickets to the player.

Lottery shall:

- 6) Reimburse Retailer for all valid cash prizes properly and completely validated and paid by the Retailer.
- 7) To the extent established by Lottery statutes and regulations, pay Retailer a cashing commission based on the cash value of all valid prizes paid by the Retailer and, at the Lottery's sole discretion, any bonus or incentive payments as may be established from time-to-time.

- 5) Acknowledge that all Lottery funds, immediately upon receipt and upon the transaction of a sale, are held in trust for the Virginia Lottery and the Commonwealth of Virginia.
- 6) Deposit **directly** into the Trust account all proceeds from the sale of Lottery tickets or products. There should be no transferring of funds from another account. Checks should **not** be deposited into the Trust account. All deposits should consist of **cleared funds** (cash only) to ensure there are no delays in processing the funds or bounced checks.
- 7) Ensure sufficient funds are timely deposited into the Trust account for scheduled EFT transfer. In the event such EFT transfer is dishonored, Retailer shall be liable for penalties and interest as established by Lottery statute and/or regulation.
- 8) Be responsible for, preserve, and account for all proceeds from the sale of Lottery tickets/products, all instant tickets accepted from the Lottery, and all on-line tickets generated, whether such activities are conducted by the Retailer or any employee or representative of the Retailer.
- 9) Be financially liable for all tickets once they are in a billable status. Retailer shall also be financially liable for stolen, lost, destroyed, or otherwise unaccounted for tickets – without regard to their billing status - if such loss resulted from the willful or negligent act or omission of Retailer, or from Retailer's intentional misconduct or failure to reasonably safeguard or maintain the tickets in accordance with sound management practices.
- 10) Maintain a surety bond, through a company licensed to conduct business in Virginia, in such an amount and penalty as determined by the Lottery. Such bond must be payable to the Virginia Lottery and conditioned upon the faithful performance of the Retailer's duties. Retailer shall promptly provide proof of bonding to the Lottery, as requested. Retailer may, at the sole discretion of the Lottery, be permitted to provide such other surety as may be satisfactory to the Lottery Director.

G. Equipment Requirements and Responsibilities

Retailer shall:

- 1) Be responsible for meeting all equipment installation requirements as specified by the Lottery. Such requirements may include, but not limited to: (a) dedicated electrical circuitry; (b) counter, roof, floor, and building space; and (c) conduit, if applicable. All expenses associated with the items required to be furnished by the Retailer and all consents, approvals, and permits from any and all necessary parties required for equipment installation, if any, shall be the sole responsibility of Retailer.

- 18) Train Retailer employees on the operation of all Lottery-provided equipment and the sale of Lottery products. Training sessions will be conducted at a mutually agreeable time and location prior to or immediately after equipment installation, provided that training must be completed before Retailer can commence selling tickets.

Retailer shall:

- 1) Fully cooperate with Lottery employees or its agents and make available all pertinent records, documents, and information in all matters related to Lottery operations, including but not limited to the accounting, collection, inspection, auditing, or investigation of Lottery proceeds, tickets and products, equipment, and the terms and conditions of this Contract.
- 2) Shall provide the Lottery or its agents access to the premises of the licensed location during normal business hours or at such other times as may be required.

J. Penalties for Non-Compliance

- (1) *The Lottery reserves the right* to suspend or revoke the Retailer's license, terminate this Contract, and/or suspend operations of and/or remove any equipment provided by the Lottery for noncompliance with the Lottery's statutes, regulations, or rules or for noncompliance with any of the terms and conditions of this Contract.
- (2) *Retailer acknowledges and agrees* that its failure to meet the minimum sales requirement(s), if any, may result in any of the sanctions cited in Paragraph J.(1), and/or the imposition of a service charge to be paid by the Retailer. The amount of the service charge will be established by the Lottery, at its discretion, and may be amended from time-to-time.
- (3) *Retailer agrees* to pay the Lottery's expenses, including reasonable attorney's fees, incurred in the event the Lottery should have to initiate legal proceedings to enforce any provision of this Contract or to collect any amount due and owing, which obligation shall survive termination or expiration of this Contract.
