

# **Curriculum Scope and Sequence Modules for Driver Education in Virginia**

## **Resource List**

**Virginia Department of Education  
in cooperation with the  
Virginia Department of Motor Vehicles**

## RESOURCE LIST

The suggested videos are available in many school divisions and can also be borrowed from the Virginia Department of Education's Traffic Safety Video Library. A video list is located at [www.pen.k12.va.us](http://www.pen.k12.va.us) in the Elementary, Middle, or Secondary Instructional Services health, physical education, and driver education site. To reserve videos, schools must register in advance and receive a computer identification number. A blank application form may be obtained by calling (804) 692-0336. All users are charged a nominal handling fee for each video booked. To order videotapes through the automated Telephone Reservation Service (TRS), you will need a touch tone telephone, User ID Number, and a Password. For more information on booking tapes please call (804) 225-2980.
