

**AUTHORIZATION TO FILE DOCUMENTS INCORPORATED
BY REFERENCE BY DESCRIPTION**

Submit this form to request an exemption from the requirements of filing in full textual material adopted by reference into regulations. Questions, contact Office of the Registrar of Regulations.

① Agency: Board of Agriculture and Consumer Services

② VAC Number/Chapter Title: 2 VAC 5-501 / Regulations Governing the Cooling, Storing, Sampling and Transporting of Milk

③ Effective Date of Final Regulation (leave blank for proposed stage): August 25, 2016

④ Name of Document Incorporated by Reference (include edition or effective/revised date):
Standard Methods for the Examination of Dairy Products, 17th Edition, American Public Health Association

⑤ Summary or description of the document incorporated by reference:
The American Public Health Association's Standard Methods for the Examination of Dairy Products provides the dairy industry, associated research organizations, and the governmental bodies charged with ensuring the safety and wholesomeness of dairy products with validated methodology to ensure that harmful levels of organisms and other substances are absent and that the nutritive qualities, flavor, and appearance of products meet established specifications.

⑥ Is a copy of the document incorporated by reference in custody of the agency and available to the public for inspection and copying as required by § 2.2-4103? YES NO

⑦ Document may be inspected at the following agency location:

VDACS - Dairy Services

102 Governor Street

Richmond, VA 23219

Document may be obtained from the following entity (include website and cost of document):

American Public Health Association

800 I Street, NW

Washington, DC 20001

www.apha.org

Cost: appx \$115.00

⑧ Explain why it is impractical to file a copy of the document incorporated by reference:
The material is copyrighted or is otherwise the property of an individual or an organization other than the state government.

⑨ Attach a copy of the document cover, title page, and copyright page.
