INSTRUCTIONS FOR COMPLETING THIS FORM

This **Annual Absentee Ballot Application** may be used by any registered voter who . . .

- is unable to go in person to the polls on the day of election because of a disability or illness
- and is likely to remain disabled or ill for the remainder of the calendar year.

Once your application is accepted, a ballot will be mailed to you for every election in which you are eligible to vote, including general elections and any special elections. You no longer have to apply for a ballot separately for each election. But, you will need to submit a new Annual Application for each year that you remain eligible to use it and wish to continue voting absentee. (A blank *Annual Application* will be mailed to you each December to apply for the following year.)

If you request primary ballots by designating a political party, and any primary is held for that party's nominations, you will also receive that ballot automatically.

Am I required to designate a political party?

- No. Virginia law does not require a person to identify a political party preference (Example: Republican Party or Democratic Party) except when requesting primary ballots. You may vote in either party's primary, but not in both primaries held on the same day. If you want to change your primary ballot request, simply file a new *Annual Application* before your primary ballot has been mailed. If you receive a ballot that you do not wish to vote, or need a replacement ballot, call your Registrar's office for instructions.

What are the special requirements for the Annual Application?

- On your **FIRST Annual Application only**, you must have your physician, accredited religious practitioner, or other state licensed disability services provider (see definitions below) sign and complete the **Statement of Disability or Illness (Part C of the application)**. This Statement is not required on your SECOND or LATER *Annual Applications*.

"Accredited religious practitioner" is a person trained in spiritual healing or other healing arts and accredited by a formal religious order. The signature of a minister who is not so trained and accredited (ordained or otherwise) is not acceptable. [§24.2-705, Code of Virginia]

"Other state licensed disability services provider" is a person, entity, or organization (excluding an agency of the federal government) licensed by the Department of Behavioral Health and Development Services that delivers services to persons with mental illness, mental retardation, or substance abuse, services to persons who receive day support, in-home support, or crisis stabilization services funded through the Individual and Families Developmental Disabilities Support Waiver, services to persons under the Brain Injury Waiver, or residential services for persons with brain injury. "Provider" includes a hospital, community services board, behavioral health authority, private provider, and any other similar or related person, entity, or organization. The signature of the person who is a licensed provider or a representative of the licensed entity or organization is acceptable. [§§ 24.2-703.1 and 37.2-403, Code of Virginia]
