ADDITIONAL REQUIRED INFORMATION: This information is required in §54.1-3434.1 of the Drug Control Act and may be accessed on our website www.dhp.virginia.gov/pharmacy. The requested documentation must be submitted with the application in order to grant registration as a non-resident pharmacy.

- 1. A legible copy of this pharmacy's current, unexpired, unrestricted pharmacy permit in its resident state.
- 2. A copy of the current pharmacy inspection report, conducted no more than six months prior to the date of submission of this application, indicating compliance with the Virginia Drug Control Act. For pharmacies performing sterile and non-sterile compounding, the inspection report must indicate compliance with USP-NF standards. For more information review Guidance Document 110-38 and "Criteria for Current Inspection Report" at http://www.dhp.virginia.gov/Pharmacy/pharmacy_forms.htm (Note: Pharmacies sharing the same physical space with an outsourcing facility must perform all compounding in compliance with cGMPs.)
- 3. A copy of the label showing the toll-free number

* If the pharmacy is changing trade name or address, the current resident state pharmacy license reflecting the updated information must be submitted with the application.
