

## DMV 206 Military Guide

### **Troops to Trucks<sup>SM</sup>**

Through the Troops to Trucks<sup>SM</sup> program, DMV is helping service men and women obtain tools for future employment in the transportation industry. If you have military truck driving experience and a military CDL, testing may be waived for a Virginia CDL. Need experience? Classroom and behind-the-wheel training may be available on post. Once credentialed, looking for work? Complete an employment questionnaire to be provided to Virginia-based transportation companies.
