Online Instruction:

For schools wishing to offer online instruction, items 1 - 10 noted above must be submitted in addition to the following requirements:

1. Note that only the general portions of the curriculum which are common across all professions regulated by the Board may be offered online. Those courses may, but not necessarily, include: Orientation, School Policies, State laws and regulations, Health and safety, Personal hygiene, Sanitation and sterilization, Ethics, Salon/shop/parlor management, Analyzing skin or scalp conditions, Anatomy, Client consultation, and Care of equipment.

If the course is not general and common across all professions, but it is on the list above, please contact the Board to determine if it is eligible to be taught online. For example, tattooing sterilization requirements are specific and unique to that profession, and would not be eligible for online instruction.

2. All examination must be completed on-site, in a “traditional brick and mortar” classroom.
3. Schools must provide documentation that it utilizes technologies and practices that are effective in verifying the identity of distance learning students, both initially in person (via photo ID) and subsequently during the online coursework (via secure login and pass code).
4. Instructor programs are not eligible for Online Instruction.
