REQUIRED ATTACHMENTS FOR EACH COURSE
The following attachments must be provided for each course. Please include a spacer page to label each attachment according to the number listed below. For example, “Attachment #1: Course Syllabus”; Attachment #2: Instructor Information”; etc. Please note that the information listed below is required, and applications that do not contain all of the required attachments, in the format and order listed below, will be returned.

- **Attachment # 1: Course Syllabus** – The course syllabus lists the purpose of the course and the main topics covered in the course. This includes any specific code sections to be discussed in the continuing education course. Vocational training courses should include a detailed curriculum for the training program. Backflow prevention device worker vocational training programs must include instruction in a wet lab as part of the syllabus.

- **Attachment # 2: Instructor Information** – List all instructors for the course with applicable Virginia Tradesman, Individual Certification, or Contractor license numbers (if available). In addition, a one-page resume with appropriate teaching and technical experience must be included for each instructor.

- **Attachment # 3: Course Materials and Fees** – Information pertaining to any materials used or distributed during the course, including books, handouts, pamphlets, and slide presentations/overheads. If the materials are “custom” information, i.e. developed by the provider, please provide a copy. If you will be using materials developed by an outside source, please provide detailed information about the publication. A copy of the materials may be requested. Please provide the fees that will be assessed for the course and whether or not the fees include any materials for the course and, if not, the materials that students are required to furnish.

- **Attachment # 4: Schedule of Course Dates and Locations** – Provide information pertaining to the anticipated schedule and location(s) for the course. If you have not developed a schedule, please provide an anticipated start date for the program. Please note that you must provide the Board office with a final schedule and location(s) prior to holding the class.

- **Attachment # 5: Course Completion Certificate** – If students will be provided with a certificate of completion at the end of the course, please provide a copy marked “sample.”

- **Attachment # 6: Online/Correspondence Course Information** – If an online or correspondence course, please provide information on the security procedures to be utilized. In addition, provide information on the test that will be given at the end of the course and security related to the test. Online providers must provide the website address,
user ID, and password to be utilized by the Board during the review process in order to access your course. Correspondence course providers must provide a copy of the packet that will be distributed to students.
