#### INSTRUCTIONS FOR REACTIVATION OF DENTAL HYGIENIST LICENSE

A completed application shall include the following, unless otherwise stated below. An incomplete application and/or fee will delay the processing of your application. Incomplete applications remain active for one year from the date of receipt. After one year from date of receipt, you would need to reapply for Virginia licensure. Documents submitted with an application are the property of the Board of Dentistry and cannot be returned.

**Application:** Please be sure that all information and questions are completed on the application.

2.	<b>Application Fee</b> : The fee to reactivate a <b>dental hygiene license is \$75</b> , which must be paid with a certified check, cashier's check or money order, made payable to <u>The Treasurer of Virginia</u> . The fee can be used for one year from date of receipt. Pursuant to 18VAC60-25-30(F) all fees are non-refundable. Your application will not be reviewed until you have submitted your payment.					
 3.	Continuing Education: You must submit documentation of having completed 15 hours of continuing education (CE) for each year the license was lapsed, up to a total of 45 hours in the 36 months immediately preceding the application for reactivation. Course sponsors and content must meet the requirement in 18VAC60-25-190 of the Regulations Governing the Practice of Dental Hygiene. Of the required hours, at leas 15 must be earned in the most recent 12 months immediately preceding your application and the remainde within the 36 months immediately preceding the application. Original documents or copies are accepted.					
	For example, the 36 months period immediately preceding an application received on October 15, 2018 began on October 16, 2015. The three calendar years for this example application are:					
	First year: October 16, 2015 to October 15, 2016 Second year: October 16, 2016 to October 15, 2017 Third year: October 16, 2017 to October 15, 2018					
	Submitted CE documentation <u>must</u> include the following:

 4.	<b>Original NPDB:</b> A current report, not older than 6 months, must be obtained by Self Query from the National Practitioner Data Bank (NPDB), which may be requested through their website at <a href="http://www.npdb.hrsa.gov/">http://www.npdb.hrsa.gov/</a> . There is a fee for this report. <b>This report from NPDB is required from all applicants, without exception.</b> (Regulation 18VAC60-25-130A(3).)					
 5.	Please be aware that your signed and notarized application affidavit authorizes the release of confidential information, affirms that your application is complete and correct, and attests that you have read and understand and will remain current with the laws and regulations governing the practice of dentistry in Virginia.  6.	Name Change: Documentation must be provided to show each name change(s) if your name has ever been changed from the most recent time you held an active license in Virginia or were licensed in other jurisdictions or other than what is listed on your application. Photocopies of marriage licenses or court orders are accepted.					

7. Address of Record and Publically Disclosable Address: Consistent with Virginia law §54.1.2400.02 and the mission of the Department of Health Professions, addresses of licensees are made available to the public. Normally, the Address of Record is the publically disclosable address. If you do not want your Address of Record to be made public, state law allows you to provide a second, publically disclosable address. Typically, this other address is the work or practice address. If you would like for your Address of Record to be made available to the public, complete both sections with the same address.

#### Notes:

- To qualify for reactivation of an inactive license, the applicant must include documentation in the application sufficient to demonstrate continuing competence. Continuing education hours and evidence of active practice in another state or in federal service, recent passage of a clinical competency examination, a refresher program offered by a program accredited by the Commission on Dental Accreditation of the American Dental Association or current certification by a professional credentialing board are considered in determining continuing competence. The optional employment verification form on page 8 may be used to document active practice. Completion of only home study, journal or internet courses is generally not sufficient to demonstrate continuing competence.
- If your Virginia License is not reactivated within six months of the Board's receipt of parts of the application, certain portions of the application may need to be resubmitted before your application can be reviewed.
- To receive notice that your application has been delivered to the Board, it is suggested that the documents be mailed by "Certified Mail-Return Receipt Requested" or with "Delivery Confirmation".
- Applicants will be notified of missing application items within approximately 15 business days of receipt of an application.
   Once your application is complete, allow 30 business days processing time.
